

Category	Description	Reviewers Comment	Action Taken by Reviewed Group
Build	Could you clone from Git and build using the README file?	Cloned, cannot build without hardware.	
Legibility	Was the flow sane and were variable names and methods easy to follow? Does the code adhere to general guidelines and code style?	Yes sane flow and the code adhere to general guidelines and code style.	
Implementation	Is it shorter/easier/faster/cleaner/safer to write functionally equivalent code? Do you see useful abstractions?	The code looks very good.	
Maintainability	Are there unit tests? Should there be? Are the test covering interesting cases? Are they readable?	No unit test, I think they should but not necessary.	
Requirements	Does the code fulfill the requirements?	Yes, no special requirements for their code.	
Other	Are there other things that stand out that can be improved?	Nothing
